Video Monitoring

Give your Home or Office the
Highest Level of Security

Your alarm has been tripped.
Is it a false alarm or a break-in?

Video monitoring allows our operators to see what is happening right now. By adding video, you guarantee your alarm will receive the fastest and most appropriate security response.

Variety of Applications

We can provide you with systems capable of securing a wide variety needs. Typical uses include:

- Alarm Verification
- Video Patrols
- Digital Recording
- Open/Close Reports
- Inventory and Cash Reports
- Employee/ Nanny Supervision

Our Video Systems

We sell and monitors systems made by:

- DVSS
- Dedicated Micros
- OzVision
- Philips
- CQ-Max
- GE Kalatel

We work with a wide range of manufacturers so that we can guarantee you get the video system customized to fit your exact needs. Call for a free consultation and price quote on a system with the number and type of cameras you need.

Digital Video Recording

Do you need to see what is happening at your home or office when you're away? Need to see who is taking or vandalizing property? Want a visual record for insurance purposes? We can design your system with a digital video recorder (DVR) and build a recording archive to suit your goal.

Video Patrols

Would you like to have a security guard at a fraction of the cost? We can use your video system to conduct regularly scheduled patrols of your home or office. Get the peace of mind that comes with knowing our operators can spot and alert you to a situation before it becomes a problem. We will create a tour schedule suitable to your price and security need.
